HOW TO READ THIS CATALOGUE

RANGES, QUANTITIES & BRANDING

Every product comes in a range. The price shown is the **starting price** — the Essential tier at the stated minimum order quantity. Moving up a tier or adding branding moves the price up from there.

ESSENTIAL

Reliable everyday fabrics. Built for high-turnover teams and tight budgets. The 'from' prices in this catalogue are Essential-tier.

SIGNATURE

Heavier weights, better colour retention, tailored fit. Our most-ordered tier for restaurants and salons that face customers all day.

PREMIUM

Designer-grade fabrics, lined tailoring, custom trims and woven labels. For flagship venues and brand-led hospitality groups.

QUANTITY BREAKS

UNITS PER STYLE	ADJUSTMENT
25 – 49	List price
50 – 99	–5%
100 – 249	–10%
250 – 499	–15%
500 +	–20%

Indicative. Breaks apply per style and colourway, not per total order.

HOW PRICING WORKS

All prices are indicative starting prices in USD, excluding VAT and branding, quoted per piece at the stated minimum order quantity. Final pricing depends on fabric, colour, quantity, branding method and delivery date. Every order is quoted in writing before production.

Prices valid 30 days from issue. Fabric and freight movements may require requoting.
